Confidential sexual health patient help lines
FPA (formerly the Family Planning Association) national helpline – 0845 3101334 Sexual Health Line – 0800 567 123 Brook Clinic – 0800 0815023 or www.brook.org.uk Sexwise – 0800 282930 or http://www.maketherightdecision.co.uk

If you vomit within 3 hours of taking the tablet, the EHC may not have worked, you will need to return or talk to your doctor.

For Official Use

This form is intended to be used per supply. For additional supplies to the same patient a new form will be needed.

Product: [Levonelle] or [ellaOne] delete as appropriate

Date	Possible Pregnant*	Referral Required?	Directions	Pharmacist	Signature
	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Yes <input type="checkbox"/> No If yes, see below.	<i>Take immediately</i>		

Reason for referral:

*Referral to a suitably qualified clinician is required.

Missed Pill Advice

Combined oral contraceptive pills (21 active tablets)	If three or more 30–35 microgram ethinylestradiol or two or more 20 microgram ethinylestradiol pills have been missed in the first week of pill-taking (i.e. days 1–7) and UPSI occurred in Week 1 or the pill-free week.
Progestogen-only pills	If one or more progestogen-only pills (POPs) have been missed or taken >3 hours late (>12 hours late for Cerazette®) and UPSI has occurred before a further two pills have been taken appropriately.
Intrauterine contraception	If complete or partial expulsion is identified or mid-cycle removal of an IUD/IUS is deemed necessary and UPSI has occurred in the last 7 days.
Progestogen-only injectables	If the contraceptive injection is late (>14 weeks from the previous injection for medroxyprogesterone acetate or >10 weeks for norethisterone enantate) and UPSI has occurred within the last 120 hours.
Transdermal contraception - Evra® Patch	More than 2 days late starting first patch of new pack and has UPSI in week one or the prior patch free week. 7 days late starting third patch of pack, no EHC needed but omit patch free week. If more than 9 days late starting second/third patch, count as UPSI. Up to 7 days late starting second patch, no EHC needed.

PATIENT CONSENT

I have received information on the risks and benefits of the medicines recommended and fully understand them. I have also had the opportunity to ask questions. I consent to the recommended medicines being given at each appointment*.

Patient Name / signature / / Date.....

Do you consent for our pharmacy and/or our authorising medical agency to contact you regarding customer satisfaction? Yes / No

PHARMACIST AGREEMENT

I have consulted the specific PGD which enables me to supply the listed medicine and have found that the patient is included in treatment and there are no valid exclusions applicable. I have given the patient information on the risks and benefits of the medicines recommended and have done my utmost to ensure the patient fully understands them. I have also given the patient the opportunity to ask questions. This will be carried out at each appointment.
